OROFINO TOURS
ITALY'S HOSPITALITY FAMILY

YOUR BUSINESS DOOR

Dear Travelers,

Our family has been in the tourism industry for 2 generations. Thanks to our partners and dedicated associates, we host 10,000 guests (weekly), who stay in our hotels, eat in our restaurants and follow treatments in our thermal spas. Guests and partners are continually looked after by our staff, currently comprised of over 1,000 professionals.

Thanks to daily contact with our partners and to a careful analysis of what Americans are looking for in travel, we have developed an unusually deep understanding of the needs of tourists from across the ocean. All too often tourists embark on exhausting tours on motor coaches, packing and unpacking luggage every day, visiting many distant towns and cities and have no time to appreciate the different history and culture. To experience and savor the "Dolce Vita" one must relax and capture the moment! Italy will reawaken your senses: Italy is not just a country, it is an **Emotion!** It must

"We loved the Stay & Visit Philosophy. We got to see and do everything without having to worry about anything. The restaurants were excellent and service was the best. We loved being off the "tourist" routes. Your choices and planning created a sense of closeness to the places

and people in Italy."

*Mr. and Mrs. Anthony Polimeni
Palm Desert, CA*

"Everything was organized so beautifully. We never would have seen all of these places had we not been on the tour. Our time is up here but we will not forget the good time we had or the new friends we made. God Bless."

*Rosario Costantino
Los Angeles, CA*

"The ability to have one hotel as a base of operations is a great concept and a strong advantage of Stay and Visit Italy"

*Howard and Marilyn Lovely
Wilmette, Illinois*

"We wanted a no-stress trip where "someone" else took care of arrangements! Our desire was to see the Italian countryside and small towns. Good food and wine were a must!!! We hoped for a congenial traveling group and a pleasant, helpful guide. Our trip provided all of it!"

*Mary and Glenn Lancaster
Cary, NC*

"The BEST European trip I have taken"

*Beverly Zeidenberg
Bethesda, MD*

"I appreciated the knowledge of the guide. Her insight was helpful in appreciating the background of the area and the significance historically. The highlight for me was Piazza Armerina and the Roman Villa. The mosaics of life among the Romans were fascinating."

*Dolores Battle
Silver Spring, MD*

be felt, lived, expressed, shared. **Stay and Visit ® Italy** will help you with it!

We have the knowledge and, most importantly, the passion to let you experience the difference between an exhausting trip and an unforgettable vacation!

The Orofino Group and its associates are committed to our **Vision, Mission, Values.**

Think of us as you would a cousin. A *favorite* native-born Italian cousin whose family has lived here forever. The kind of fellow who knows *the place for Rigatoni Alla Norma* you'll talk about for years, as well as the best..... view in Amalfi, pastry shop in Taormina, spa in Ischia, cathedral in Orvieto, wine in Chianti, pizza and mozzarella in Naples. Now imagine this dear relation has invited you to drop your bags at his hotel (4 star, naturally) and stay a while to discover these delights. Setting forth each day on bite-sized adventures he's arranged, with a small flock of like-minded travelers, to experience a little excitement, some surprise, much beauty and great joy.

We have tried to anticipate all your questions. For instance, can you add Rome to your tour? Absolutely, and very affordable, as we have our own lovely hotel near the Vatican. Can you combine tours? Certainly. Our modular tours are designed to allow flexibility. Our small group size, usually under 20 travelers, has only one downside..... the tours fill up fast. To get your first choice, we urge you to act now.....

Grazie & Ciao!

Giorgio, Fabio and Luca Orofino
