This totally renewed four star resort is located in the heart of the pedestrian zone of [Ischia](#) Porto, right on the beach and with a wonderful view. It was created by joining Hotel Ischia, Hotel Lido (built on the ruins of an aristocratic villa) and Hotel Majestic.

The complex offers thermal pools, beach, and restaurant with excellent national and international cuisine, piano bar, amusement arcade, large parking, thermal SPA beauty center, air conditioning and sandy beaches. All rooms are air-conditioned with private balconies providing breathtaking views of the brilliant and clear blue waters of the Mediterranean.

This resort/hotel has a private beach with umbrellas and chairs for hotel guests (free of charge), 2 outdoor pools, one with geothermic water, an indoor Health and Beauty Centre with 4 geothermic pools, water falls, geyser tubs, cervical hydro massage, Kneipp units, thermal mud treatments etc....

This is an ideal resort for those who want to enjoy a vacation at seaside with a bit of jet set life. Other amenities include private bath, refrigerator-bar, satellite color TV, telephone, and safe deposit boxes.
