Day 1 - Rome - Arrive at Rome's Fiumicino airport, Rome Termini train station or Civitavecchia Port and transfer to our first class [Grand Hotel Olympic](#). A welcome cocktail will be served upon arrival. This beautiful Papal palace in the heart of Rome, between the Vatican City and Piazza del Popolo, is a short distance to all the essential points of the city, 5 minute walk from Vatican City and St. Peter cathedral. Legend has it that Rome was founded by the twins Romulus and Remus and is definitively unique with its rich history and fervent vitality of its citizens. We encourage you to savor your first Roman dinner at nearby typical and well known restaurants and enjoy your meal with a glass or two of "er vino de'Castelli", typical regional wine. Rome, also known as The Eternal, Capital of the World, and The City will be our home away from home for the next 3 nights.

Day 2 - Rome - 3 hours optional tour 1 - Morning at leisure. This afternoon we will tour the Imperial Rome (approximately 3 hours) with a professional guide. We will visit the Coliseum, the largest amphitheatre ever built in the Roman Empire and the most representative symbol of [Rome](#). You will appreciate the magnificence and glory of what was Rome 2000 years ago. We will continue down via dei Fori Imperiali and, along the Via Sacra, we will follow in the footsteps of Julius Caesar, Marc

Anthony and Nero. At the altar where Julius Caesar was cremated, visitors from around the world still leave flowers and candles at this site to this day. Then you will visit the Capitol Hill with its square by Michelangelo and Piazza Venezia considered the Centre of Italy. (B)

Day 3 - Rome - 3 hours optional tour 2 - This morning a professional guide will narrate the tour of [Vatican City](#) (approximately 3 hours). The story of the "Vatican" started about two thousand years ago when the Apostle Peter was buried across the Tiber River in 67 A.D. The Basilica of Saint Peter is one of the four major basilicas of Rome. It is the most prominent building inside the Vatican City and built on the ruins of Old Saint Peter's Basilica. As you enter, to your right, Michelangelo's "Pieta" is displayed. The "Colonnade" was built by Bernini (1656-1666). The Vatican Museums display works from the extensive collection of the Roman Catholic Church. The Sistine Chapel is in the Apostolic Palace, the official residence of the Pope. Its fame rests in its decoration, frescoed throughout by the greatest Renaissance artists including Michelangelo. The ceiling is legendary and it is in the Sistine Chapel that every new Pope is selected. The remainder of the day is at leisure to wander the streets of this unparalleled historic city and a chance to do last minute shopping. (B)

Day 4 - Rome - 7:00 AM transfer to Rome's Fiumicino airport, train station or Civitavecchia Port. Have a safe return home, treasure the memories.....grazie and arrivederci a presto! (B)
